**I. Purpose**

The purpose of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of Immune Design Corp. (the “**Company**”) is to assist the Board in fulfilling its oversight responsibilities regarding the Company’s financial accounting, reporting, and internal controls over financial reporting. The Committee’s principal functions are to:

- oversee the Company’s accounting and financial reporting process and the audits of the Company’s financial statements by the Company’s independent registered accounting firm (the “**Independent Auditor**”);
- monitor the periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that may be conducted by the Independent Auditor and the Company’s financial and senior management;

- facilitate communication among the Independent Auditor and the Company’s financial and senior management and the Board.

This charter (this “**Charter**”) sets forth the authority and responsibility of the Committee in fulfilling its purpose. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with United States generally accepted accounting principles. These functions remain the responsibility of the Company’s management and the Independent Auditor.

**II. Membership**

1. The Committee shall be composed of three or more independent directors of the Board, with the exact number determined by the Board. A director shall qualify as independent if the Board has affirmatively determined that such director is independent, consistent with the basic independence criteria set forth in the Company’s Corporate Governance Guidelines, Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “**1934 Act**”), and the listing rules of the Nasdaq Stock Market (“**Nasdaq**”). In addition, each member of the Committee must satisfy the following additional requirements:
  - no Committee member or immediate family member of such Committee member may be an affiliated person of the Company or any of its subsidiaries, as that term is defined by the Securities and Exchange Commission (the “**SEC**”);

- each Committee member shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member;
  - no Committee member shall accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries, except (a) fees received as a member of the Committee, the Board or any other Board committee, or (b) fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company; provided that such compensation is not contingent in any way on continued service; and
  - no Committee member shall have participated in the preparation of the financial statements of the Company or any of its subsidiaries (exclusive of former subsidiaries that are no longer subsidiaries of the Company) during the past three years.
2. All members of the Committee must have the ability to read and understand fundamental financial statements, including a balance sheet, income statement, and cash flow statement. In addition, at least one member of the Committee shall be an “audit committee financial expert” within the definition adopted by the SEC and have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.
  3. The members of the Committee, including the chairperson (the “**Chair**”) of the Committee, shall be appointed by the Board. If the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. Committee members shall serve for such term or terms as the Board may determine or until earlier resignation or death. Committee members may be removed from the Committee, with or without cause, by the Board.
